PROFILE

Governance and legal-design practitioner with 12 years’ leadership in Victorian public education and a current Juris Doctor at ANU (2026–2028). Founder of GlassCase™ and Law & Learning, producing open-access tools and parliamentary submissions on FOI, administrative process, record integrity and public-sector accountability. Background combines statutory compliance, governance systems and evidence design at scale — building toward work where institutional design, transparency obligations and individual rights converge.
